THE HOUSE OF WADDIE
is ever willing to
design and print
to your requirements

In presenting this pocket brochure we are proud to show a few specimens of the work produced at St Stephens Works, Edinburgh.

Diestamping, letterpress printing and lithography are represented in this production, but whatever the method of printing, we will gladly help from the creation of designs to the production of the finished job.

SALES APPEAL

The exotic Jamaican flavor is perhaps best expressed in the luxurious ARAWAK guest rooms. White brick walls, brilliant colors, polished woods, straw and bamboo — all create a refreshingly airy setting... further enhanced by charming balcony terraces, where you will enjoy your breakfast each morning — in the Jamaican manner!

day and night for long coolers and expertly mixed cocktails!

*A separate, glassed-in, air-conditioned circle of fun,
the JIPPI JAPPA looks out over the sea and the pool...
a lounge gone completely native, with Calypso music setting
the tempo, and a ceiling entirely covered with hundreds
of colorful jippi jappa hats in all shapes and sizes!*
